UNIQUE FEATURES

- A timeless shirt with new looser silhouette uplifts your uniform with an inspired, contemporary look.
- Designed to be worn out, this style skims over the torso and allows freedom to move without looking frumpy.
- Fashion forward wide cuff (long sleeve), scooped hemline and extended length offers style and practical coverage.
- Fine oxford weave fabric is 97% natural cotton with added 3 % elastane that offers both breathability and stretch comfort for the wearer.
- A clean and simple button through placket, neat collar ensures your logo remains the hero.
- Available in short an long sleeve lengths to suit seasonal changes or uniform requirements.
- Two colours, White or Blue offers a fail-safe foundation to build any capsule range.

DECORATION

- Perfect for Embroidery.

COORDINATES WITH

- Looks great with our slim leg Remy Pant, Lawson chino or even jeans. For cooler weather, try layering with our Milano or Roma cardigan.

FITS LIKE

- Designed to fit loosely. To ensure the best staff satisfaction (and fewer exchanges) we always recommend buying initial fit samples first, as design details can allow for changes in individual size preference.

PERFECT FOR

- General Use Business or Office shirt
- Formal Corporate Uniforms
- Finance and Administration
- Product or Service Representatives
- Education and Technology
- Medical and Health Services
